**SUBJECT: Letter of Recommendation for The Hockey Source's Team Management Program**

To whom it may concern:

It is my pleasure to provide this letter of recommendation for The Hockey Source and their Team Management Program. I have had the opportunity to work with The Hockey Source personally over the past two years.

The Hockey Source's Team Management Program, North America's only program dedicated to helping and enhancing a team's administration needs for a successful, organized and effective approach. The Ontario Minor Hockey Association (OMHA) has utilized the services of The Hockey Source to deliver this program as part of our Continuing Education Program (CEP) and as part of our Development Programs information booths at the OMHA Annual General Meeting.

The staff at The Hockey Source consistently display a high degree of integrity, responsibility and expertise. Perhaps more than anything, their service and commitment to the OMHA has been above and beyond the call of duty.

I am happy to give The Hockey Source's Team Management Program my wholehearted endorsement.

Sincerely,

Ian Taylor  
Director, Development Programs  
Ontario Minor Hockey Association
